**Located at the corner of Chestnut Rd. and Spruce Rd., near Street Rd. & York Rd. (Rt.263).**

The entrance to my private office is behind the garage. There is a sign on the door that says “*Protected by Angels.*” That lets you know that you are at the right door so that you will feel free to walk right in to the smallest waiting room you have ever seen. There you will find a clipboard with forms to be filled out. At the bottom of the stairs is a glass door that leads to my office. After you have filled out the forms, knock on the glass door to let me know that you have arrived. For future appointments, knock on glass door to let me know you have arrived, but, please, don’t just walk in to my office, because I may be with another client or on the phone.
